The Pier Market Place Narragansett, RI

The redevelopment of the Pier Market Place, fronting on the ocean, owned by our client, Gilbane Development Company is moving forward at a rapid speed. The new Belmont Market occupying a dramatic new 18,000 SF building is almost completed. This building will also include a 2,500 SF liquor store. The Newport Harbor Corp, owners of the Castle Hill in Newport, RI, have signed a lease for a new 7,000 SF "up scale" restaurant, with construction starting shortly.

There will be additional retail space available to lease, however exact sizes and locations are not available yet.

At this time we can offer for lease, 2,500SF of new office space, with separate entrance, located on the second floor of the new market building. We also have available, for sale, 2,000 SF of new condominium office space superbly located in the corner building at the intersection of Narragansett Avenue and Caswell Street. This space can be divided into two 1,000 SF units. Please contact Sandy Bilsky, 401-789-0388, for prices and showing.
